

ADVANCED HEALTH MANAGEMENT PROGRAMME

Ms. Julie Peters

Julie Peters finished her course in Advanced Health Management Programme (AHMP) with an average of 83.2%!

She currently runs a Non Profit Organisation (NPO) called Philimpilo Community Care whose mission and core purpose is: Enabling healing and wholeness to families affected by HIV and AIDS in vulnerable communities through psychosocial (psychological, spiritual and social) care.

"FPD is an extremely professional organisation that is adding immense value to the NPO sector and making a huge impact in the health care sector."
