

HIGHER CERTIFICATE IN MANAGEMENT

Ms. Kriyanthi Naidoo

Kriyanthi formerly worked at Galeshewe Day Hospital and is a Pharmacist by profession. She completed the HCM course in Kimberly and has the following to say about the course: "At the time when I did the course, I worked for Right to Care and I had 16 people working under me, from various professional backgrounds. After the course, I was better equipped to manage a diverse group of people. The course equipped me with better leadership skills."

"I would like to thank FPD for providing opportunities such as scholarships and skills development in promoting professional growth."
